Relationship Workshop

“Life will take on a new meaning. To watch people recover, to see them help others, to watch loneliness vanish, to see a fellowship grow up about you, to have a host of friends-this is an experience you must not miss. We know you will not want to miss it. Frequent contact with newcomers and with each other is the bright spot of our lives”

COME SEE HOW A HEALTHY RELATIONSHIP WORKS IN SOBRIETY!!!

This workshop will dive into the world of relationships in sobriety. All relationships romantic and non-romantic. How do we get into them, when we get sober? What does a healthy relationship look like with another human being? How do I maintain my sobriety and autonomy in a relationship? And much, much more from a panel of experienced members of Alcoholics Anonymous who are all in healthy relationships.
